Partnership Pack

WELCOME

Thank you for partnering with My Brother SG! We are excited to work together to engage and empower migrant workers for better health. We seek to engage our partners meaningfully to amplify our strengths, maximize synergy and align efforts in migrant worker engagement.

BENEFITS OF JOINING OUR NETWORK

- **Strategic partnerships** with health experts, authorities, medical students, youth, NGOs and other customized services you may need
- **Intentional facilitated connections** with organizations to provide leverage to your goals
- **Greater visibility and impact** for your organisation
- **Consulting opportunities** with us to improve your programmatic approach
- **Wide dissemination channels** to migrant workers on digital platforms
- **Free multilingual educational resources** curated with experts and government ministries
- **Constant innovation** in programmatic approaches
- **Latest updates** from authorities and international guidelines
